"EACH DAY IS CHALLENGING. EACH DAY IS DIFFERENT. EACH DAY IS REWARDING..."

Lieutenant Jamal Gwathney, Physician, USPHS Commissioned Corps

PROTECTING, PROMOTING, AND ADVANCING THE HEALTH AND SAFETY OF THE NATION.

"As a physician in the U.S. Public Health Service Commissioned Corps, I'm on the front lines of public health: fighting life-threatening diseases, responding to emergencies, and caring for patients—many of whom wouldn't have health care if not for me. I make a difference in people's lives every day. I'm also rewarded with an excellent package of salary and benefits, including health coverage, tax-free allowances for housing and food, 30 days of vacation each year, and much more."
