

Job Title:

Staff Psychiatrist (O-6, Non-Supervisory) – Naval Hospital Pensacola, FL

Job Description:

Provides a full range of direct clinical services to include psychiatric evaluations, psychiatric medication management, command and inpatient consultations, and crisis intervention. Will primarily perform short-term treatment with students and staff from various commands on the air station, but with additional opportunity for long-term psychiatric treatment cases with active and retired service members as well as adult-age dependents of service members. Also provides fitness for duty evaluations and corresponding military administrative dispositions of active duty patients. After-hours watch standing duties or psychiatric on-call duties will be required. Responsible for clinical and workload record-keeping and various reports as assigned. Participation in clinic staff meetings is required. May participate in empirical research, special program responsibilities, and organizational consultation.

Maintains all basic readiness standards as required by the U.S. Public Health Service. PHS officers assigned under this Memorandum of Agreement (MOA) must remain available for PHS deployments. Under this MOA, PHS officers are not authorized to deploy with the military. 3-year (minimum) assignment tour.

Requires a SECRET clearance.

Requirements:

MD or DO from an accredited school in the United States or Canada, or ECFMG or Fifth Pathways certificate. Permanent, full, unrestricted license to practice medicine in any state, District of Columbia, the Commonwealth of Puerto Rico, or a territory of the United States. Completion of a Psychiatry residency approved by the American specialty board or AOA, board certification, or board eligible in Psychiatry.

Location Description:

Naval Hospital Pensacola
6000 West Highway 98
Pensacola, FL 32512
