

DoD/DHHS MH MOA PHS VACANCY ANNOUNCEMENT

FOCUS AREA

Agency leadership has determined that this position meets Criteria 4: Assignment requires regular engagement with other uniformed services.

POSITION TITLE

NCR: Psychiatrist, (O-6 Billet), Supervisory. Civilian Billet-GS15 equivalent. Walter Reed National Medical Center, Bethesda, MD (2 positions)

LOCATION DESCRIPTION

This position is located at the Walter Reed Hospital. The Walter Reed National Medical Center is one of the nation's largest and most renowned military medical centers. Recently dubbed "The Nation's Medical Center," WRNMMC represents the joining of the "Best of the Best" in military medicine when National Naval Medical Center and Walter Reed Army Medical Center came together in September of 2011, to form Walter Reed National Military Medical Center as decreed by the Base Realignment and Closure law of 2005.

WRNMMC is comprised of nearly 8,500 dedicated staff members who make it their daily mission to achieve the vision and mission of our medical center. Our vision is to serve military families and our nation's active duty, returning war heroes, veterans and our Nation's leaders.

We are committed to operational readiness; outstanding customer service; maintaining excellent graduate medical and dental education and research; and always delivering world-class health care within an integrated system. Those who come through our doors, come to heal, to stay healthy, to help others, to teach the next generation, to practice quality medicine and take part in cutting-edge clinical research.

Today, while we take pride in our rich history, WRNMMC is moving toward a new horizon in health care – one that offers synergy and revolutionary collaboration.
